- **Operations Management:** Inventory Control, Patient Scheduling, Client Relations, Resource Allocation, Strategic Workflow Development.

## PROFESSIONAL EXPERIENCE

---

**Office Manager** | Eyecademy, Mississauga, ON 12/2025 – Current

- Direct comprehensive clinic operations, balancing the high-volume scheduling needs of practitioners with patient demand to minimize wait times and maximize clinical throughput.
- Manage complex third-party billing cycles, including OHIP submission, private insurance claims, and uninsured patient invoicing, ensuring high accuracy and rapid reimbursement.
- Serve as the primary point of escalation for patient inquiries, resolving billing disputes and service concerns with a focus on patient retention and high satisfaction.
- Optimize clinic resource allocation, coordinating supplies and practitioner schedules to support seamless service delivery in a fast-paced medical environment.

**Accounting Clerk** | Kostyniuk & Greenside Lawyers, Etobicoke, ON 09/2021 – 11/2025

- Managed meticulous accounting records for legal files, ensuring strict compliance with firm standards and partner requirements.
- Led the digitization and modernization of physical client files, establishing a streamlined scanning and indexing system that significantly reduced document retrieval times.
- Docketed time and performed complex updates to legal work records, verifying accuracy against partner notes to ensure correct billing.
- Developed and implemented optimized accounting workflows, including automated report generation, which improved departmental productivity.

- Generated aging reports and closed-file summaries to enhance collection efficiency, cash flow visibility, and long-term financial record-keeping.

**Support Officer, Digital Banking** | EQ Bank, Toronto, ON

01/2021 – 08/2021

- Conducted processing of complex financial transfer requests for registered accounts (TFSA, RRSP) with near 100% accuracy.
- Facilitated account closures and follow-ups, proactively managing customer communications to ensure high satisfaction levels.
- Collaborated with cross-functional teams to resolve banking discrepancies, contributing to improved operational efficiency.

**A/P, A/R & Payroll Analyst** | Safedesign Apparel LTD., Toronto, ON

07/2020 – 11/2020

- Leveraged Blue Link ERP to manage full-cycle invoices, payments, and foreign/domestic wire transfers with high efficiency.
- Executed comprehensive bi-weekly payroll for staff, meticulously calculating taxes, benefits, vacations, and sick time to ensure full compliance.
- Prepared month-end closing entries and reconciled complex vendor accounts, providing actionable insights for financial reporting.
- Developed budget figures by evaluating historical trends, income estimates, and operating expenses, identifying risks to proactively mitigate financial discrepancies.
- Managed client communications regarding accounts receivable, effectively reducing outstanding balances and improving cash flow.

**Operations Manager** | Happy Vaper, Concord, ON

02/2012 – 09/2019

- Managed an annual operating budget of \$500K, overseeing financial performance for over 3,000 active clients.
- Transformed bookkeeping practices over a four-year period, centralizing all balance sheets and accounting data.
- Directed inventory procurement and distribution strategy, working closely with international suppliers to maintain healthy stock levels.
- Aligned company policies with legislative amendments to ensure organizational compliance and operational excellence.
